

INTERNAL AREA

LOGIN

In the login area for business (this is on the main page of www.winalitede.com), you will see new menu items: "Shop", "profile" and "download" (this will open only after the login with your personal user name and password).

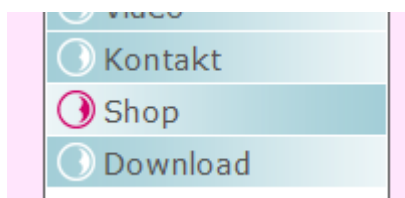

Username:

Password:

[Forgot your password?](#)

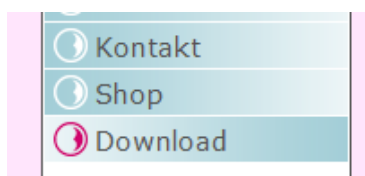

SHOP

In the shop area, you can duplicate your orders and update status, and advertising material.

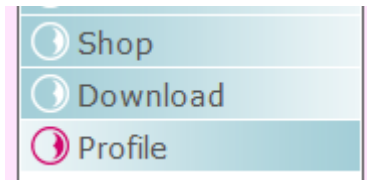

DOWNLOAD

Click on "download" to download and save marketing materials.

PROFILE

In the menu item "Profile" you can correct your personal data. All changed data must then be saved!

FORGOT YOUR PASSWORD

If you have forgotten your password please follow these steps: Press the button "Forgot your password?" And follow the instructions "Please enter the e-mail address, during which your first order "specified. Click the button \ "Send \ " and you will receive your password to this address. Check the accuracy of your address.

Forgot your password?

Please enter the email address by which you registered your user account. Then press "Send password" and your password will immediately be emailed to you. Make sure to spell your email address correctly.
